PLEASE join us **Tuesday May 7th** for our monthly meeting and a chance to get that months tournament (Sunnyvale Muni) paid for by our club by winning the raffle. Meeting will be online via **Zoom** or at **Paul's office** which is at 2670 S. White Rd, Suite 90, San Jose.

Our Membership is going to discuss and vote on 1 specific important matter that was brought to attention last month and effects everyone in our club. It seems that not everyone is getting into the **optional buy-in** which is what gives our club the ability to pay for **all the extra perks** our club gets to benefit from. **Examples** would be that our club pays for: our **4 Man Team** entry fees, our **10 Man Team** entry fees for the **Northern Council Tournament** as well as **team shirts**, our raffle prize at each meeting that pays for the winners entry fee that month. It also pays for our **Taco Tournament** every August as well as the Championship prizes. It pays for the hats that are passed out to the Top 20 on the point list as well as contributes to our end of the year party and favors. It also subsidizes those nicer golf courses where it's a bit too expensive and the club is able to eat some of the cost so we can charge our membership less. This is what may be in danger for our membership to lose unless we come up with a solution. Option might be that those who do not participate in the buy-in might not be eligible for the extra perks? Maybe we just automatically put the cost into each tournament and then everyone is eligible to win everything? This is one of the things we're going to discuss. Congrats to Pedro Benitez for winning this months raffle. Pedro gets his way to DeLaveaga paid for!
